

THE INSTITUTE FOR SOCIAL JUSTICE, INC. (ISJ) is a non-profit professional national and international organization. It was organized in the year 1999 to provide up to date information and be a catalyst to professionals that work in policy making, criminal justice, juvenile justice, law enforcement and the legal and social science field. The Institute for Social Justice (ISJ) is a learning Institute. **ISJ** plants seeds and assists in fertilizing these seeds and also assists professionals, organizations, associations, and program development for the Community-at-Large and assisting the programs to grow.

THE NATIONAL AFRICAN AMERICAN DRUG POLICY COALITION, INC., is a coalition of pre-eminent African American professional organizations united to promote drug policies and laws that embrace the public health nature of drug abuse and provide a more effective and humane approach to address the chronic societal problem of drug abuse” The **NAADPC** is a like-minded African American professional organization to join with them in a coordinated nationwide effort to advocate for drug policies and laws that take into account, among other factors., the public health nature of drug abuse.

The **NAADPC** is a unique collaborative initiative to address the problem of drug abuse in the African American community with each member organization contributing district intellectual content, practices and procedures for eradicating the deleterious societal effects of drug abuse.

THE SUCCESS INSTITUTE OF AMERICA, INC. is a national faith-based institute that works with youth and has received many awards. It was founded by a Minister in New Mexico and the youths that belong to this program has excelled in their school and work studies.
