Want to take awesomely, fabulous photos? Come join our Basic Digital Photography and Photo Editing class with local photographer Christi Jones.

As photography has gone digital, editing your photographs has become an essential component of taking photos. It’s now about capturing the moment and enhancing it. As part of our digital photo editing class, you will use Picasa and Adobe Lightroom to enhance your digital photos and learn the basics of digital photography. These skills will give you the tools to produce professional quality photos.

Classes meet every **Thursday** for 6 weeks beginning **January 16 - February 20, 2014**

5:15 pm to 7:15 pm

Instructor: Christi Jones
