Each committee has the responsibility of continually reviewing practices and policies in its area of concern, as well as performing specifically designated duties. In areas traditionally considered to be the purview of the unclassified staff, the Unclassified Staff Senate shall create and appoint committee membership in consultation with the Administration. Decisions made by University Committees shall be regarded as recommendations until approved by the appointing agent and/or the President except in special cases as outlined in the particular committee charters.

The format for conducting meetings and for preparing and filing the minutes of the University Committees is outlined below. University Committee membership shall coincide with the University's academic year. Each committee to retain a core of experienced members from one year to the next defines appointment terms. delivered to the appointing agent will be initialed or signed by the approving agent and will be housed in the Library/Archives File for use by any unclassified staff or unclassified staff member, and a copy will be posted on the University website for easy access. Since the committee minutes will be bound and will become a part of the permanent records of the University.

### **UNCLASSIFIED STAFF REGULATIONS**

#### **Equal Employment Opportunity Policy/Affirmative Action**

The University of Louisiana at Monroe firmly supports the policy of Equal Employment Opportunity as set forth in the University's [Equal Employment Opportunity Policy](#). The University's policy in the area of equal employment opportunity shall be administered without regard to race, color, religion, sex, age, national origin, genetic information, disability, or status as a disabled veteran or veteran of the Vietnam era.

The University's policy prohibits sexual harassment in accordance with state and federal laws and regulations. The University's policy allows for sick-leave use for maternity purposes and treats such requests in a manner similar to leave requests for any other temporary disability. Execution of this policy requires vigorous efforts, which the University's administration supports.

The University of Louisiana at Monroe's policy fully embraces equality of opportunity for all employees by affirming that the University will take affirmative action to assure that applicants receive fair consideration for employment and that employees are treated fairly during employment including recruiting, advertising, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, forms of compensation, tenure, selection for training, and all other employment practices.

Complaints involving this policy should be made verbally or in writing to any University official, to the employee's immediate supervisor, or to the University's EEO Coordinator. Complaints will be handled in accordance with the University's Anti-Discrimination and Harassment Policy. The [Anti-Discrimination and Harassment Policy](#) is maintained by the Office of Human Resources.

#### **Americans with Disabilities (Requesting Accommodations)**

The Americans with Disabilities Act provides individuals with disabilities access to employment, public accommodations, public services, transportation, and telecommunications. The University of Louisiana at Monroe recognizes and accepts the responsibility of providing an environment free from discrimination for all students, faculty, and unclassified staff. The University reiterates its firm commitment to equal treatment for all people, including persons with disabilities.

Policies and standards of behavior outlined in the Anti-Discrimination and Harassment Policy are also applicable to persons with disabilities. The Americans with Disabilities Act also protects individuals who have a known relationship with a disabled person.

The ADA requires an individual with a disability be otherwise qualified for the job, program or activity for which access is sought. The individual with the disability must be able to perform the

essential functions of the job or meet the essential eligibility criteria of the program, with or without reasonable accommodations.

To request accommodations, contact the [Department of Human Resources](#) or refer to the [Americans with Disabilities Act Policy](#). Any person requesting an accommodation should follow appropriate procedures to ensure his/her request is addressed promptly and appropriately.

The Director of Human Resources will review the essential functions of the job, the functional limitation of the disability and the reasonableness of an accommodation. The Department of Human Resources will retain medical documentation, kept in a separate confidential file and will only share medical information on a need-to-know basis. Supervisors will be informed of the functional limitations and the accommodation.

The employee is responsible for contacting the Director of Human Resources if reasonable accommodations are not implemented in an effective and timely manner or if accommodations are not working. The Director of Human Resources will work with the employee and the department to resolve disagreements regarding recommended accommodations. The employee will be advised if the request cannot be reasonably accommodated or if the accommodation will pose an undue hardship on the university.

If an employee feels discriminated against because of a disability or that a reasonable accommodation was not provided, he/she has a right to file a grievance pursuant to the ULM [Anti-Discrimination and Harassment Policy](#). No University employee (faculty or unclassified staff), applicant for employment, student or member of the public will be retaliated against or subject to restraint, interference, coercion or reprisal for filing a grievance, seeking information about filing a grievance, or serving as a witness in a grievance procedure.

The ULM Family and Medical Leave policy is governed by the [Family and Medical Leave Act \(FMLA\)](#) and is maintained by Human Resources.

## **UNIVERSITY POLICIES AND PROCEDURES**

### **Initial and Continuing Appointment**

New appointees are recommended by department, school, or division heads to appropriate Vice President, subject to the approval of the President, who recommends prospective unclassified staff members to the ULS Board of Supervisors for the approval at the next available board meeting.

Terms of permanent unclassified staff appointments are specified in appointment letters for the period stated in the appointment letters and require no further notice of termination.

### **Nepotism**

In accordance with the policy of ULM and ULS Board of Supervisors, the University may employ persons from the same economic unit or the same immediate family, although a separate economic unit, when their individual qualifications are such that they represent the best possible choice for a given position. In general, employees from the same economic unit or from the same immediate family, although a separate economic unit, may not be employed in a situation where

one member may have direct administrative responsibility for the other. Exceptions are outlined in [ULS policy](#).

### **Code of Ethics for Public Employees**

A governmental [code of ethics](#) for state officials and employees, which for the first time applied to college and university unclassified staff and administrators, became effective on April 1, 1980.

Enacted pursuant to a state constitutional mandate that all state officials and employees be governed by a code of ethics, the law – Act 443 of 1979 – sets strict standards for public employees and essentially prohibits the use of their public office for private gain. Faculty and unclassified staff should familiarize themselves with this Act.

A copy of the Act is available in the University library and published on the [State of Louisiana Ethics Administration](#) website.

### **Professional Responsibility**

The University of Louisiana at Monroe is committed to the principle of professional responsibility and professional ethics. As a member of the educational institution, the unclassified staff member must remember that the public may judge faculty, unclassified staff, and the institution by their expressions and actions. Therefore, at all times when speaking and acting as a private citizen, the unclassified staff member must exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that he or she is not a spokesperson for the institution.

### **Employee Wages**

Direct deposit forms are available in the [Controller's Office](#). Paycheck stubs can be retrieved online (See [Banner Information Systems Form](#)). Information on accessibility and login is also available by contacting the [Controller's Office](#). Before any unclassified staff member can be placed on the University payroll, the individual must provide proof of employability, complete a W-4 withholding allowance form, a retirement system form, a drug-free workplace acknowledgment form and any other any other optional payroll deduction forms. Form I-9 (Employment Eligibility Verification) must be completed within three working days of the first date of employment. The department head or director is responsible to ensure that new unclassified staff members have completed the necessary forms and to make sure that the proper forms are completed when employment is terminated. This information is processed by the [Human Resources Department](#) and may be found online on the department's website.

### **Outside Employment**

An unclassified staff member may have the opportunity, with prior approval of University authorities, to accept such outside activities as consulting for pay during the months of regular employment. An unclassified staff member shall have no interest of any kind, direct or indirect, or engage in any business transaction, or be involved in a personally owned business activity or

## University of Louisiana at Monroe

---

professional activity, or incur any duty or obligation which is in conflict with the proper discharge of his/her duties as an unclassified staff member.

University policy complies with the [Louisiana Code of Governmental Ethics](#) for Public Employees:

“No public servant shall receive anything of economic value, other than compensation and benefits from the governmental entity to which he is duly entitled, for the performance of the duties and responsibilities of his office or position.”

“No public servant shall solicit or accept, directly or indirectly, anything of economic value as a gift or gratuity from any person or from any officer, director, agent, or employee of such person, if such public servant knows or reasonably should know that such person.”

(R.S. 42:1111, R.S. 42:1115, [www.ethics.state.la.us](http://www.ethics.state.la.us))

Outside employment should not interfere with job duties and responsibilities expected of unclassified staff members. Therefore, both the amount of time involved and absence from officially assigned duties while rendering outside services are of primary concern. All outside employment should be compatible with University interests and of such a nature that it will enhance the usefulness of the individual as a professional employee. Responsibility for keeping outside employment activities in proper perspective rests with the individual, department, director and vice presidents.

Each unclassified staff member asking permission to accept outside employment while under contract should make a written request each year to his/her supervisor, including duties, remuneration and time required for the activity. The department head shall inform the appropriate Vice President, who shall inform the President of the details of each case outside employment approved.

[Disclosure of Outside Employment](#) forms are provided for unclassified staff members who desire to engage in outside activities and must be approved by the appropriate department, school, division head, dean, and vice president each year. Such general approval of outside employment form does not authorize a specific absence from official duties or responsibilities.

In accordance with Louisiana Revised Statutes and policies of the ULS Board of Supervisors, each full-time employee of the University of Louisiana at Monroe must report any outside employment for which a salary, retainer, fee or other form of remuneration is paid. A separate disclosure form is required for each outside employment activity reported. Should an additional outside employment activity be initiated subsequent to the annual disclosure date, a separate form must be submitted at that time.

University policy requires that all resources, including person-hours, be devoted to University business and not be used for personal gain. Absence from official duties and responsibilities

requires specific written approval from the school director or program coordinator for each specific occasion. If monies are earned from outside employment, it is University policy that all 12-month employees take annual leave if monies earned are not returned to the University in any manner and if time required for consulting is during the regular 40-hour work week.

### **Travel Policy**

[Travel policies](#) and [forms](#) can be obtained online or by contacting the Controller's Office. The University promotes professional development accomplished by attendance at conferences, workshops, seminars, and meetings. When available, the University will allocate funds for reimbursing unclassified staff for all or part of expenses incurred on authorized travel. A travel authorization form should be submitted and approved by the Budget Unit Head prior to departure.

Travel may be reimbursed from University funds when clearly for official University business. Each travel-related absence from regular duties must be approved in advance by the school director or program chair regardless of whether travel is reimbursed from University or other funds. Travel to states, nations, or territories outside the continental United States must be approved in advance through University channels by the University of Louisiana System Board of Supervisor's President.

### **University Vehicle Policy**

The University maintains a motor pool for authorized travel as well as other University transportation requirements. University [vehicle request](#) and usage policies and procedures are online and maintained by Physical Plant automotive services. Travel policies for the use of University vehicles are established in accordance with official state policy promulgated by the Division of Administration (State Travel Office) in Baton Rouge. Unclassified staff members will follow state rules and regulations for official university travel and should familiarize themselves with [state policies](#).

### **Communication Procedure**

To communicate with employees, several methods are used including Email, memorandums, operating instructions, handbooks, bulletin boards and other methods.

Visitors or employees may not post, tape, tack or affix in any way any form of literature, printed or written materials, photographs or notices of any kind on any University bulletin board without proper approval from the [Office of Student Life & Leadership](#) or the area responsible for the bulletin board.

Bulletin boards may not be used by employees or outside parties for posting commercial notes and advertisements, announcements, sales of personal property or any other matters without prior approval.

## University Email Policy

Email is an extensively-used method of electronic communication. Each unclassified staff member is issued a University email account for use throughout his/her employment at ULM. Email shall be considered an appropriate mechanism for official communication with ULM students, faculty, and unclassified staff unless otherwise prohibited by law. The University reserves the right to send official communications to students, faculty, and unclassified staff by email with the full expectation the individual will receive and read the email in a timely fashion.

Employees are expected to check their email on a frequent and consistent basis in order to stay current with university-related communication. Employees must ensure there is sufficient space in their accounts for email to be delivered and have the responsibility to recognize certain communications may be time-critical. Employee accounts are removed from the system after the Computing Center is notified of an employee's separation in service unless requested to do otherwise by the former employee's supervisor. Accounts may then be extended for up to two weeks.

### Forwarding Email

If an employee chooses to forward his/her email to another address (e.g. AOL, Hotmail, Gmail), the primary campus email address remains the official destination for official university correspondence. Individuals who choose to have their email forwarded to a private (unofficial) email address do so at their own risk. The University is not responsible for any difficulties that may occur in the proper or timely transmission or access of email forwarded to any unofficial email address, and any such problems will not absolve the individual of his/her responsibility to know and comply with content of official communications sent to official ULM email addresses.

When responding to a query sent from an unofficial email address, ULM employees should be careful since there is no assurance the sender is, in fact, the person he/she claims to be. A recommended step is to provide generic replies only, directing the sender to university tools that require authentication, such as self service functions or require senders provide their campus email address to receive a reply.

## Grievance Policy

The [Grievance Procedure](#) is for the benefit of unclassified staff members if complaints or grievances occur during the course of employment at ULM. It is in the interest of a unclassified staff member and the University to have problems resolved in a timely manner. When employment related problems occur, professional dialogue and open discussions are encouraged first between the employee and the employee's immediate supervisor. Information communication is recommended at this level.

The Grievance Procedure is intended to cover all types of grievances by unclassified non-faculty employees that are not covered by the [Anti-Discrimination and Harassment Policy](#). An effort will be made to resolve problems as expeditiously as possible.

### **Tobacco Use Policy**

The use of tobacco products is prohibited in all University building and leased spaces as prescribed in the [Tobacco Use Policy](#). The use of tobacco products is prohibited in all University vehicles. This prohibition applies to all licensed and unlicensed vehicles owned, leased, and rented by the University.

Tobacco use is prohibited on the portion of the campus west of Bayou DeSiard, including the College of Pharmacy (Bienville Building). Any tobacco products west of Bayou DeSiard must be confined to personal vehicles.

East of Bayou DeSiard, tobacco use is permitted only within designated areas and in the Grove. Designated areas are defined as outdoor areas not less than 35 feet from any building entrance or window. The use of tobacco products is prohibited in outdoor areas where seating is provided (stadium seating, benches etc.).

Disposal of used tobacco products (butts, spittoon contents, dip wads, etc) in anything other than appropriate trash bins will be considered littering, counter to campus beautification efforts, and subject to appropriate fines. The sale, distribution, or advertisement of tobacco products is prohibited in University buildings and public areas.

Vice presidents, deans, directors, and coordinators are responsible for ensuring that unclassified staff, students, visitors, and contractors are made aware of this policy, and that they comply with its requirements. Existing disciplinary policies may be used as appropriate.

### **Drug-Free Workplace Policy**

ULM is committed to maintaining a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace at the University of Louisiana at Monroe. Violation of prohibitions in the [Drug-Free Workplace Policy](#) or any violation of a criminal drug statute occurring in the workplace will result in appropriate disciplinary action, up to and including termination. In some instances, such employee may be required to satisfactorily participate in a drug abuse assistance or rehabilitation program.

### **Purchasing and Procurement Procedures**

The Purchasing Director has the sole authority to order material and contract for services. The University assumes no obligations except on a duly authorized Purchase Order. Requesting departments may not order materials or contract for services without first contacting the [Purchasing Department](#).

## **Property Control Policy**

State property is to be used for state business only. Employees are responsible for all state property assigned to them until a written transfer is approved by ULM Property Control and/or Louisiana Property Assistance Agency (LPAA) in Baton Rouge. If an employee is responsible for the loss of any state property, ULM or LPAA may require the individual to reimburse the State for the cost of the item, in addition to other penalties.

State law requires all movable property with an acquisition cost of \$1,000 or more be tagged within 60 calendar days of receipt. This includes items purchased with funds from any source, donations, animal births, and agency manufactured items.

Items with an acquisition cost of \$1,000 or more will be delivered to the ULM Warehouse unless approval for direct delivery has been granted by Property Control. Items will be delivered to the ordering department by Physical Plant personnel and will be tagged by Property Control in the department after delivery.

Persons receiving new property delivered directly should report acquisition, location and date of receipt to Property Control within three working days. A copy of the Purchase Order or order documentation should be forwarded to Property Control. Property should not leave campus until tagged. Property may not remain in boxes untagged and must be made available for tagging by the receiving department.

Items with acquisition cost less than \$1,000 should be marked with the Purchase Order number and date of receipt. Serial numbers should be recorded on the departmental copy of the receiving report.

Items may not be physically transferred to other state agencies until after written approval is received from LPAA. Items may not be loaned to non-state agencies or individuals, given away, or disposed of in any. All transfer and dispositions are handled through Property Control.

There is a Property Control form for reporting all activities concerning state property. Forms are available online at [www.ulm.edu/forms](http://www.ulm.edu/forms) or from Property Control. For questions, call extension 5184. The department on whose inventory an item is listed is responsible for submitting the appropriate paperwork. All departments are subject to unannounced audits by the ULM Internal Auditor, Legislative Auditors and LPAA Auditors.

## **Central Receiving Policy**

While ordering departments can make "Direct Delivery" requests to the Property Control manager, vendors must be informed by Purchase Order instructions that all direct deliveries be authorized by written permission from the Property Control Manager. Blanket exceptions issued by the Property Control Manager should be available both in the ordering department and vendor files. Vendor instructions should include a statement that ordering departments are not

authorized to pick up from local vendors unless permission has been granted by the Property Control Manager. For specific details, see [Central Receiving Policy](#).

## **UNCLASSIFIED STAFF HANDBOOK**

The Unclassified Staff Handbook is the vehicle of communication of policies and procedures relevant to unclassified staff at the University of Louisiana at Monroe. Given that the Unclassified Staff Handbook is a document for communication to unclassified staff members, it is the responsibility of the [Staff Senate](#) to maintain and oversee the contents of this document.

Edits should ideally originate from the Staff Senate and be overseen by the Chief Business Officer. Minor changes can be done during the annual review of the Unclassified staff Handbook, while critical updates can occur immediately in collaboration with all responsible parties.

## **Annual Review**

Changes to the Unclassified Staff Handbook will come in several forms: inclusion of omissions, corrections, updates, and revisions due to University changes in structure, policies, and procedures. The Staff Senate will review the Unclassified Staff Handbook and document any needed updates. This review will be completed and a memo will be sent to the Office of Business Affairs no later than March 1 each calendar year. The memo will state the needed changes, the reason and justification for the change and be signed by the President of the Staff Senate.

The Chief Business Officer will then review the changes and consult with the executive committee of the Staff Senate about the adoption of the changes to the Unclassified Staff Handbook. After changes have been agreed upon by both the President of the Staff Senate (including Human Resources) and the Chief Business Officer, the CBO will ensure changes are made in the Unclassified Staff Handbook and placed in public distribution. These changes will be completed no later than July 1 each calendar year.

The annual memo of changes to the Unclassified Staff Handbook will be sent to the Office of Business Affairs/Chief Business Officer even if there are no changes. This is to ensure the Unclassified Staff Handbook is reviewed annually on or before March 1 of each calendar year.

## Omissions

If a procedure or policy is not present in the Unclassified Staff Handbook and the procedure or policy is deemed to be needed part of the Unclassified Staff Handbook, the omitted component will be placed in the Handbook during the annual review. Appropriate justification and reason must accompany any addition of new components to the Unclassified Staff Handbook. Notification of the need to fill an omission may occur from any member of the university.

## Comments and Feedback

Comments and Feedback should be submitted via email to the [President or Secretary of the Staff Senate](#), the Chief Business Officer and person(s) assigned to the upkeep of the Unclassified Staff Handbook. ## Campus Accidents or Emergencies

In the event of an accident, injury or illness, immediately notify [University Police](#) (ext. 5350) or the [University Health Clinic](#) (ext. 1651). In case of emergency dial 911.

If possible, the University Police should determine the need for an ambulance. If an ambulance is required, the request should be made by the University Police to ensure speedy dispatch. The ambulance company will not normally respond to an individual's call from the campus unless the individual is willing to give his/her name and be held responsible for the ambulance bill. In cases of emergency, it may be necessary for an individual to call for ambulance services direct. This is a matter of judgment on the part of the individual concerned. Expenses incurred as a result of an accident, injury, or illness must be paid by the individual.

In the event of accident, injury, or illness, call in the following order:

<b>1. University Police</b>	<b>Ext. 5250 or 1-911 (emergency)</b>
2. University Health Clinic	Ext. 1651
3. Ambulance Service	Dial 911
4. Student Affairs	Ext. 5350
