V. Policy Procedure

The Travel Card is a Visa credit card issued by the Bank of America (BOA) for the State of Louisiana. The Travel Card/CBA account is a tool used to manage travel and accounting by assisting employees with a single source of payment for specific travel expenses during authorized state travel. The State of Louisiana Division of Administration's (DOA) [State of Louisiana State Liability Travel Card and CBA Policy](#) and [Policy and Procedure Memorandum 49 \(PPM49\)](#) provide the specific criteria for appropriate use of a Travel Card/CBA account for state travel.

The CBA (Cardless Business Account) will still be used by the University of Louisiana Monroe with the State Travel Card program. New CBA accounts will be issued with the Travel Card Program.

Travel Cards/CBA accounts will be issued with both single purchase limits and monthly cycle limits. The approver/department head determines both the card cycle limit and the single purchase limit (SPL). The SPL can be approved up to \$5000. Exceptions to the SPL may be requested from the Office of State Travel by completing and submitting a [Travel Card Request for Exception Form](#) through the Program Administrator.

The Travel Card is a VISA Card and will be identified with the State of Louisiana seal and marked Louisiana "Commercial Travel Card/Louisiana Travel Card". The cards are white and embossed with the Employee's name, department name, account number and tax-exempt number.

Obtaining a Travel Card/CBA Account

The Unit/Budget/Department Head initiates the request for a travel card or account for each prospective cardholder under his/her jurisdiction by completing a [Travel Cardholder Enrollment Form](#) and forwarding it to the Travel Card/CBA Program Administrator. The cardholder must complete a [Travel Cardholder Agreement Form](#) before a card/account is issued. The Unit/Budget/Department Head will:

- a. Assign spending limits per transaction; (Note: limits higher than \$5,000 must be approved by the Office of State Travel);
- b. Assign spending limits per day/cycle; and
- c. Ensure that the cardholder's ULM's email address matches the cardholder's name.

The Travel Cardholder Agreement Form is to be forwarded to the Travel Card/CBA Program Administrator for final approval and processing.

The Program Administrator will ensure that the required training on the use of the card is completed and contact the cardholder after receiving the new card from the BOA. New cardholders, current cardholders as well as cardholder approvers are required to complete annual in-house Travel Card/CBA Training provided by ULM as well as the appropriate travel card training through the State of Louisiana - Louisiana Employee Online (LEO) Training Portal. The LEO Training Portal is accessed at the following link: <https://leo.doa.louisiana.gov/irj/portal>. Each cardholder is to pass the training with a score of 90 and provide the training certificate to the Travel Card/CBA Program Administrator before receiving and using a Travel Card or CBA account.

Current cardholders, cardholder approvers and the program administrators are required to complete the corresponding agreement form annually. By signing the agreement form, the individual acknowledges understanding the procedures and responsibilities associated with the Travel Card/CBA program requirements, procedures and guidelines.

Expiring Travel Cards will automatically be replaced/renewed prior to the Travel Card's expiration date by the issuing bank. All replacement/renewed cards will be sent to ULM's Travel Card Program Administrator for proper distribution.

Travel Card/CBA Use Guidelines

In accordance with memorandum issued by the Commissioner of Administration, dated September 18, 2014, the Travel Card or CBA Account are to be used for specific travel expenditures. Therefore airfare, lodging, vehicle rentals and registration must be placed on the Travel Card or CBA Account. This does not relieve ULM of its legal responsibilities of compliance with all applicable purchasing rules, regulations, PPM49, statutes and executive orders.

The Travel Card is for official state business use only. Use of the Travel Card is limited to the person whose name is embossed on the card. The Travel Card shall not be used to pay for another person's expenses or loaned to another person to pay for official or non-official business expenses.

Travel Card/CBA Use Guidelines for Group Travel

The Travel Card can be used by an employee working in an Advisor/Coach capacity to pay for allowable travel expenses for a student or staff group or athletic team's authorized travel.

The CBA is the preferred method of payment for group expenses, but an individual travel card can be used, after obtaining approval from the Office of State Travel. The Cardholder must accompany the group.

An employee who travels with student groups or athletic teams on authorized travel may request permission to use their card to pay for allowable travel expenses for the student group by working through the Program Administrator to submit a [Travel Card Request for Exception Form](#) to the Office of State Travel. Increases in the STL and the Card Cycle Limit can also be requested to address the expected spending pattern associated with group travel expenses. A request for permission to use the travel card for baggage fees for group travel may also be initiated.

Allowable Travel Card/CBA Transactions

The Travel Card/CBA account can only be used for the transactions listed below, and each purchase must fall within PPM49's guidelines.

1. Airfare
2. State Contracted Travel Agency Fees
3. Registration for conferences/workshops
4. Membership Dues associated with registrations – should not be for memberships on non-travel purchases
5. Hotel/Lodging
6. Rental Car – travel card to be used only if the Enterprise CBA is not available
7. Tolls in conjunction with the contracted vehicle rental
8. Parking – Only with hotel stay and combined on invoice and Park-N-Fly Parking
9. Internet Services – Only with hotel stay and combined on invoice
10. Gasoline for Rental Car/State Owned Car Only – Not to be used if agency is part of the Fuel Card Program/Contract. If the program is not covered in a certain area, then the travel card may be used, and the file must be completely documented.
11. Shuttle Service – Only when pre-paid prior to trip, and not for individual ground transportation during a business trip such as taxi, bus, Uber, etc. without approval from Office of State Travel.

The Travel Card/CBA account may not be used for the following purchases:

1. Alcoholic beverages
2. Cash advances – cash instruments, cash refunds
3. Controlled substances (prescription drugs, narcotics, etc.)
4. Entertainment costs – ski tickets, tours, etc.
5. Food and meals (Unless approved through the Office of State Travel. A signed roster of participants will be required.)
6. Gift Cards/Gift Certificates
7. Personal purchases
8. Not be loaned to another person or use to pay another person's expenses without prior approval from the Office of State Travel

In the event merchants elect to include a surcharge or convenience fee, VISA and MasterCard have strict merchant guidelines governing the assessment of surcharge fees:

- The merchant must register with VISA 30 days prior to beginning a surcharge policy.
- The merchant must provide clear disclosure to the customer.
- The amount of the surcharge must be listed as a separate item and detailed on the receipt.

- The surcharge must apply to all credit cards accepted by the merchant.
- The surcharge must be equivalent to the merchant's interchange rate but cannot exceed 4%.

For any charge where the Supplier has charged a surcharge, a cardholder or user should obtain a copy of the acknowledgement letter sent to the Supplier by Visa authorizing the Supplier to impose a surcharge, as part of their supporting documentation.

Convenience Fees are charged as a flat fee (regardless of the total cost) when purchases are made via one form of payment channel over another – online or by phone vs. in store or by mail.

The decision to use a State Travel Card/CBA on a purchase that will incur a surcharge or convenience fee should be based on rare and extenuating circumstances such as no other form of payment is accepted, timeliness of payment to avoid late fees, urgency of the needed item or services, lack of other vendors, etc. ULM is required to carefully evaluate the necessity of the State Travel/CBA Card transactions which are subject to surcharge or convenience fees.

Prior to processing any transactions that include convenience fees, the Cardholder must consult with a Program Administrator to discuss the appropriateness of the additional fee. The Cardholder must submit their request in writing justifying the need to make the purchase with their Travel Card and the Program Administrator will then determine if the convenience fee complies with Visa regulations and is in the best interest of the State. Only then will the convenience fee be allowed.

Louisiana State sales tax is not to be charged on card purchases. Cardholders should make every effort at the time of purchase to avoid being charged Louisiana state sales tax. In the event state sales tax is charged, it is the cardholder's responsibility to have the vendor issue a credit to the cardholder's account.

Should taxes be included in a transaction and the cardholder fails to resolve the issue with the merchant, the cardholder is responsible for paying the taxes.

The Cardholder will:

1. Ensure that Travel Card/CBA transactions are not split in order to circumvent the policy limit.
2. Ensure that all items purchased are required for bona fide University purposes (no personal expenses).
3. Ensure that prices paid are fair and reasonable.
4. Notify the vendor that any university business purchase is exempt from state taxes.
5. Obtain detailed (itemized) transaction receipts from the vendor each time the Travel Card/CBA account is used.
6. Assume personal responsibility for all purchases made with the card, including unauthorized purchases or charges and/or overages as defined in PPM49.
7. Understand that ULM retains the right to cancel a cardholder's privileges. Cards that are revoked for non-compliance with policies and procedures and/or Cardholder's Agreement must be turned in to the Controller's General Accounting Department.
8. Be subject to disciplinary action for noncompliance with policies and procedures.
9. Notify the Program Administrator immediately upon separation, change in department, and when anticipating and/or prior to an extended leave of absence. Ensure that all transactions have been reconciled and signed by both the cardholder and the approver. Ensure that the account has been suspended until the return to work, or to be closed if separation occurs.

Ensure that the approver has all the necessary documentation for the statement, if the cardholder will be absent when the statement comes in. Types of extended absences could include maternity leave, family medical leave, medical leave, military obligations, sabbaticals, etc.

VI. Enforcement

The Travel Card/CBA Program Administrator is responsible for ensuring that all policies, procedures and guidelines regarding the use of the Travel Card/CBA account are followed.

Fraud Purchase - A fraud purchase is any use of the travel card which is determined to be an intentional attempt to defraud the state for personal gain or for the personal gain of others.

Any recognized or suspected misuse of the Travel Card/CBA program should be immediately reported to the agency Program Administrator and may be anonymously reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549 or for additional information one may visit: <http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pnid=0&pid=4&catid=0>.

The Employee must complete a discrepancy form and submit to the program administrator.

<https://www.doa.la.gov/osp/Travel/forms/dispute.pdf>

In the event that the University of Louisiana Monroe fails to comply with the requirements for participation in the Travel Card/CBA Program, the result of noncompliance may be removal from the Program.

An employee suspected of having misused a Travel Card/CBA account with the intent to defraud the state will be subjected to an investigation. Should the investigation result in findings which show that the actions of the employee have caused an impairment to the state service, and should those findings

be sufficient to support such action, the employee will be subject to disciplinary action. The nature of the disciplinary action will be at the discretion of the appointing authority and will be based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the ULM Internal Audit Department, Legislative Auditor, the Office of Inspector General, and to the Director of the Office of State Travel.

Non-Approved Purchase - A non-approved purchase made by a State cardholder is a purchase for which payment by the state is unapproved. A non-approved purchase differs from a fraud purchase in that it is a non-intentional misuse of the procurement card with no intent to deceive that agency for personal gain or for the personal gain of others.

A non-approved purchase is generally the result of a miscommunication between a supervisor and the cardholder. A non-approved purchase could occur when the cardholder mistakenly uses the procurement card rather than a personal card.

When a non-approved purchase occurs, the cardholder should be counseled to use more care in handling of the procurement card. The counseling should be in writing and maintained in the employee's file for no longer than one year unless another incident occurs. The employee should be made to pay for the item purchased inappropriately. If another incident of a non-approved purchase occurs within a 12-month period, the appointing authority should consider revocation of the Travel Card and the employee may not be eligible to receive another card through the State's programs.
