

Student Refunds

All student refunds are now handled by **HigherOne**. A ULM Choice card will be delivered to the active mailing address we have on file. The **address** may be updated by logging onto your Banner account. Please do not enter any residency dates! If residency dates are expired, this will cause you not to receive your card. **It is the student's responsibility to provide the University with the correct mailing address.** Once you receive the **HigherOne** envelope containing the ULM Choice card, you will be able to set up a user name and password to make your choice of where you receive your refund. The options are **HigherOne** account, direct deposit, or paper check. You will be able to log into this site and change this option as often as you like.

Student refunds are processed once a week, unless a holiday occurs.
